Sentral Student & Parent Portal

The Student and Parent Portal is used to access important school information.

The Portal allows parents to:

- Access student's academic reports
- View student daily notices, classes and timetables
- Book parent teacher interviews (Term 2 & 3)

Parents will be emailed instructions and an access key to register for the Parent Portal early Term 1 2024.

School Newsletter

Our school newsletter is an important method of providing information to parents about all the achievements, events and activities occurring at Chatswood High School. It is emailed to parents regularly and is also available for viewing on our school website.

School Bytes Parent App & Portal

School Bytes App and Parent Portal is used to access important school information.

The Portal allows parents to:

- Receive real time push notifications from your school
- Give excursion consent and sign forms
- Receive school communications
- Manage student school finances

Parents will be emailed information early Term 1 and you will be able to download from the App Store or Goggle Play

School Facebook Page

facebook.com/chatswoodhighschool

Follow the school on Facebook for notifications on current school activities, including sports and extracurricular, P&C updates, student achievements, social justice activities and more.

School Website

chatswood-h.schools.nsw.edu.au

The school's website is updated regularly and provides information on upcoming events, current activities, school and Department of Education news and alerts, school calendar and term dates.

It is important that parents and teachers work closely together in partnership. If there are any concerns or problems, then a solution is often not far away. If there are disruptions at home then it is very helpful for us to know as we can further support your child at school.

STUDENTS

Unable to attend sport

PROCEDURE

If a student is unable to attend sport, a parent must email the the school before 11am. Please see page 5 for the early departure procedure.

OR

If a student has an injury that prevents them from travelling to and from sport they must attend the non-sport room.

SCHOOL ATTENDANCE PROCEDURES

It is a legal requirement that the school receives a **written** explanation from a parent/carer for all absences, late arrivals and early departures. The following information is a guide for parents and students to explain the school's attendance procedures.

Parents, to explain a student's whole day absence or late arrival, **please do not telephone the school.**

Use **ONE** of the following written methods to notify the school:

SMS A REPLY TO THE SCHOOL (our preferred method)

You can reply to the School's text with the reason for your child's absence. Please note you can only reply to the absent text message you receive from the school.

SENTRAL PARENT PORTAL (whole day absence *only*)

- Notifying the school via the portal feeds that notification directly on to your child's attendance record. This means there is less margin for error and you can be assured that the school has received your notification.
- On the Parent portal, you can notify us of and explain an absence. **ONLY use this method for whole day absences.**

EMAIL THE SCHOOL

If you cannot access the portal or SMS, you can email chatswood-h.school@det.nsw.edu.au

Late Arrival Procedure

All students arriving late to school must go to the office and sign in at the student counter using their Student ID card.

A student is late when they arrive after 8.50am as this is the official start time of school and when roll call begins. This includes all senior students whose timetabled Before School class is cancelled.

If they do not sign in at the office a whole day absence will be recorded on their attendance record and parents will receive a text message that says their child is absent.

If a parent/carer knows a student will be late please send an email or official appointment slip with the student on their arrival to school. If the late arrival is explained in writing at the time a student signs in at the office, parents/carers will not receive a text message or email notification.

Students may be placed on lunchtime detention if their late arrival remains unexplained by a parent.

Early Departure Procedure

1. Please email the school advising of the early departure clearly stating: **Student's full name and year, date and time of early departure.**
2. Students must go to the office, scan their student ID card and an early departure slip will be printed. If students do not do this a truancy may be recorded against that student's attendance record.

Application for Extended Leave

Parents/carers must complete an Application for Extended Leave -Travel, PRIOR to departure for any leave longer than 4 consecutive school days. These are available from the school office, the parent portal under resources or our website.

Applicants must include details of the educational and cultural benefits to the student for 'Approval of Leave' to be granted. Once reviewed an email will be sent to the parent/carer. Please include any supporting documents such as flight details/travel itinerary.

If you require any further information regarding the School's Attendance Procedures please refer to the school's website or contact the school on telephone: 9419 3611.

Senior students in Year 11 and Year 12 have the opportunity to use the Kiosk to sign in and out of school for flexible periods only. However, there are a number of rules you will need to follow.

PERMISSION

- Students must have permission by a parent/carer to use the kiosk. The form link will be emailed out to you on completion of enrollment, or can be found on the Parent Portal, School bytes or the school website.
- If a student uses the kiosk without permission, it will reject the attempt and mark it up as unjustified on the student's attendance.
- The kiosk only allows students to sign in late for flexible periods at the beginning of the day, or sign out early at the end of the day, according to their timetable. With any flexible periods during the day, students must use these as study periods as they do not have permission to leave the school during this time.

KIOSK TIMING

- The kiosk is linked to the students timetable, so it cannot be used if a student is late to school or is signing out early. In these instances, the student will need to sign in at the student desk.
- The kiosk is only for any senior student that has a flexible period 1 and/or period 1 and 2.

Flexible Late Arrival for Period 1 - no later than 10am (9.50am on a Thursday)

Flexible Late Arrival for Period 1 and 2 - no later than 11am (10.45am on a Thursday)

Flexible Early Leave - from 11am-3.10pm (Thursdays only).

- If a student arrives later than the times listed above they must sign in at the student desk. If they use the kiosk it will reject the attempt and be marked up as unjustified on their attendance. This is extremely important because these unjustified entries appear on their academic reports.

FORGET TO SIGN IN?

The kiosk acts as your roll call. This means that if you forget to sign in at the Kiosk when you have a flexible as your first class of the day, you will be marked as absent. A text message will be sent to your parent/s or caregiver.

Your Timetable

Below is an example of a Year 7 timetable. Your timetable works on a fortnightly rotation. It is divided into Week A and Week B. The term always starts on week A. This will assist you in knowing in advance what to pack every day. The timetable shows you your subject at the top (class code in brackets), the room you are in and the teacher who will be taking you for that subject.

The bell times are not the same every day, so please refer to the section on bell times in this booklet. Recess is R and is a 20-minute break. Lunch is divided into L1 (lunch 1) and L2 (lunch 2) for a total of 40 minutes. Between periods 1 & 2, and periods 3 & 4, there is 5 minutes transition time for you to get to your next lesson. This gives you plenty of time between periods to walk to your next class and the teachers are understanding that you need to orientate yourself to the new routine in the first two weeks. If you get lost, ask a teacher or another student for directions.

EXTRA CURRICULAR GROUPS

These are some of the groups our school has to offer that are open to year 7 students!

Stay tuned for updates such as time and location.

Come to our annual Promo Day where all our extra-curricular programs will be advertised and you can sign up and talk to some of the members!

Art Club

Come along and make your own artwork and also artwork to beautify our school environment.

Before/After School Sports Program

The program provides students with opportunities to develop their skills in a range of sports and connect with their peers. The program includes Frisbee, AFL, Volleyball, Soccer, Basketball and Netball.

Assistance in Mathematics (AiM)

Students who are in need of help with maths homework or are looking for more work can attend AiM in the morning for help.

Chess Club

Play chess together with your friends and compete in tournaments!

Creative Writing Club

For students who would like to learn tips and techniques, whether to work on their own projects or start something new. Individuals can share and learn from others' ideas, such as with short collaborations (potentially with other clubs), or a co-written collection of works, making every member a better writer. Lessons are decided by the theme of each month, which may focus on anything from genres to popular texts.

English Academic Assistance

Students who would like to get assistance with English homework or class work.

Debate Club

Teams of students across all years compete in the Premiers debating Challenge as well as combine with other schools to spend a day receiving expert debating tips.

Dance Ensemble

A Contemporary, Lyrical and Jazz dance group open to students with all levels of dance experience. Students can audition for School Spectacular and participate in various other performances and excursions throughout the year.

Drama Ensemble

Drama Ensemble is open to students from 7-12. We bring plays to the stage and have some exciting performance opportunities in the works! If you are interested, please approach Mr J to audition.

LGBTQI+ and ally group (Pride Club)

A chilled out group with people you can relate to.

Video News Club

We will learn filming and video editing skills through projects such as termly review videos.

EXTRA CURRICULAR GROUPS

Music Program

CHS is renowned for its exciting and dynamic music program with numerous ensembles that perform at school, in the community and also participate in music camps and tours to Australian and Overseas destinations.

Programming Club

A small group of people who work on programs such as python and java script. Feel free to do your own coding or join the group activity.

Robotics Club

The robotics club is a club devoted to making robots through; Design, Manufacturing (using wood, metal and plastic work), electronics and Coding.

Social Justice Club

A social justice group that aims to promote individual rights and awareness on social and welfare issues in the community.

SRC

We aim to improve the lives of students by running fun and useful events/ initiatives, making physical improvements to the school, and working to ensure the school and others act in the best interests of students.

Years 7/8 Drama Club

For year 7 & 8 students who are interested in Drama and performance. The club aims to get more students interested in drama, starting with the younger grades.

Craft Club

Anyone from beginners to experts can join, including students and staff. For those interested in origami, knitting, or crocheting. Activates creativity and dexterity as well as provides them with an offline hobby that has practical uses outside of school.

MUSIC ENSEMBLES 2024

The Chatswood High School Music Program is a dynamic and exciting co-curricular program that strives for excellence by providing students with a well-rounded musical education and a lifelong appreciation for music. All students are welcome in our program regardless of musical experience. It is never too late to start learning an instrument!

Since starting in 1980 with less than 20 students, the program has grown into the largest co-curricular program at CHS with over 250 students involved across 20 ensembles. The program has brought significant accolades to the school over the years through participation in concerts, festivals, competitions and regional and international tours. We encourage all students at Chatswood High School to experience the joys of music making with friends!

Chatswood High School 'Bring Your Own Device' Program 2024 - Device Suggestions

The following lists of devices have been compiled with recommendations from HP and JB Hi-Fi. These devices can be seen on the respective suppliers' purchase portal, the links are available on the Chatswood High School website and devices are provided at a discounted cost. These devices have varied specifications for different uses with the expectation to last 3-4 years at a sufficient level of performance. Please use this list as a starting point, but also consider conducting further research and select a device that best meets your child's needs and your budget. Please investigate and consider the cost of Accidental Damage Protection (ADP). The damage protection provides extra cover on top of the standard warranty in the case of an accident, such as liquid spills, drops, falls and electrical surges. We do not recommend purchasing Android tablets, Chromebooks or iPads as many subjects utilise apps and software that are not supported on these devices. If you decide to purchase one of these types of devices, please be aware that we will not be able to cater for any missing functionality.

ENTRY-LEVEL DEVICE SUGGESTIONS

These devices are the minimum recommendation for basic use, such as editing documents, performing research, browsing the internet (including checking emails) and are capable of video/photo editing, animation and CAD. However, they may compromise on certain design aspects such as the screen size, quality and touch capability. These devices will perform optimally for these tasks and will be a good device to complete general assignments and classwork.

MID-LEVEL DEVICE SUGGESTIONS

These devices are a good middle ground for students who often multitask on their device and may require the device for more intensive uses. These devices will more often be utilised for students in Year 9 and above. This would include subjects such as IST, Multimedia, Software design and Design & Technology. This also includes CAPA subjects such as music and Visual Design. These devices can handle most moderate to intensive tasks such as video/photo editing and graphic design at an acceptable performance level.

HIGH-LEVEL DEVICE SUGGESTIONS

These devices are suitable for those who are looking for a more premium device, these devices are the most expensive and may not suit every budget but are highly recommended for computing intense subjects.

We have determined these devices to be suitable for moderate and intensive tasks such as video/photo editing and graphic design. These devices should be considered for subjects such as IST, Multimedia, Software design, Design & Technology, Visual Arts and Music.

PREMIUM DEVICE SUGGESTIONS

These devices fall into the specified performance category, but due to the higher cost these are classified as premium devices. These devices cost more due to their build quality and aesthetic designs but will perform in a similar way as the device listed in the mid and high range categories. These are the nice to have but not all are necessarily the best in performance.

Things to be aware of in low priced devices that do not meet CHS BYOD Specification or recommendations:

- Small hard drives in laptops/hybrid drive: Anything less than 128GB of storage will limit the software that can be installed on the device.
- Small amount of RAM: If the device will be used in subjects that require the Adobe Creative Cloud software (e.g. Photoshop, Premiere) or other graphic/video editing software then a minimum of 8GB ram is required.
- As shown in the tables, these devices have a 1 to 3-year warranty and the option or inclusion of Accidental Damage Protection *ADP (some come with an excess or zero-dollar excess).

For all technical specifications, it is important to consider the long-term use. It is likely the device will be used for most of the student’s time at CHS so will need to meet future demands.

THE SCHOOL STUDENT OPAL CARD

The School Opal card gives eligible students free or discounted travel between school and home using the train, bus, ferry, and light rail services.

Who Can Apply?

To be eligible for the School Opal card, secondary students (Years 7-12) will need to live more than 2km in a straight line from the school, or at least 2.9km walking distance. Some visas do not support the School Student Transport Scheme. For example, students on a 482 or a 500 visa will not be able to apply for the School Opal card.

How To Apply

1. Once Chatswood High School has confirmed your child's enrolment, apply for a new card via Transport NSW website.
2. The school will endorse your application online after checking the student's residential address, enrolment status and relevant visa details.
3. Once Transport NSW has approved the application, a School Opal card will be sent within 14 days to the address provided on the application.

Who Should Apply?

A new application is required if the student has not had a School Opal card before. If the student is changing schools, going into Year 7, or has an updated residential address, they can still use their existing School Opal card but you **will have to update their details on the website <https://transportnsw.info/school-travel-apply>**.

If you live too close to be eligible for free travel, you may still qualify for a School Term Bus Pass which allows for travel on buses between home and school at a discounted rate for a term.

A parent or carer must apply for students 15 years and under. Students 16 years and over may apply for themselves.

Please see the following page for Frequently Asked Questions and links to additional forms (School Drive Subsidy & for travel on medical grounds).

What if we have a split-parenting arrangement?

Both parents will need to submit an application for each address and select the 'shared parental' option during the online application. However, if one parent lives too close it will be rejected for that parent on that basis, and only the parent who qualifies will need to apply. Additionally, the school will need to have both parents' addresses in order to endorse.

Is everyone eligible for an opal card?

No, in addition to distance restrictions, there are certain visas that do not qualify for the school student transport scheme. For example. 482s and 500s. However, exchange students are still eligible with the 500 visa.

Can my child use their Student Opal Card for excursions?

No, the free Opal Cards are only for use to and from school. Your child will need to use a Child/Youth Opal Card for excursions.

Sydney Metro Northwest

If you are expecting to use the Sydney Metro Northwest please nominate train as mode of transport.

What if I live too close? Can I appeal a rejected application?

Unfortunately, this decision is managed by the Department of Transport and Chatswood High will not be able to make exceptions. Other options are:

Term Bus Passes

These passes are \$55 per term and are also available on line from the Opal website. Unfortunately they only accommodate bus travel and not trains.

Appeal on Medical Grounds

If you would like to appeal the rejection based on a medical grounds for an ongoing condition, there is a medical report and certificate that must be signed by a medical practitioner. This form can either be submitted during the application process or afterwards by emailing concessions@transport.nsw.gov.au and quoting your application ID number in the subject line e.g "Request for review- N211111".

Purchasing a Child/Youth top up Opal Card from Retailers

(If your child is 16 years or over they will need to request a Concession Card from the school office to use a Child/Youth Opal Card.)

What is the role of the school in the application process?

The school receives an electronic application from the Transport office and we will confirm that the name, address, visa, and parental information on your application is the same as our enrolment information. If the information does not match we will reject it.

Does my child need their Student Opal Card for the first day of the year?

You will need to apply for a Student Opal Card early in the year, but students are granted free travel to school on all public transport until March to allow for new applications to be processed.

The Chatswood High School Parents and Citizens Association (P&C) provides a forum to bring parents, teachers, and the community together to advance the best interests of our students.

Our 2024 focus areas are:

- Student learning and development support
- Student and parent well-being sessions
- Student leadership and co-curricular activities
- Enhancing the school environment for students

Chatswood High School

<http://www.chspandc.org.au/>

For Parents, we:

- Provide a forum to hear what's happening at CHS and engage directly with the Principal and school teachers (via P&C meetings)
- Provide input and sponsor school activities
- Offer opportunities to meet other families via a variety of social events
- Manage the Uniform Shop for all student uniform needs.

For Students, we:

- Sponsor new learning and development avenues to improve academic and well-being outcomes
- Support participation in leadership and life skills-building opportunities
- Fund co-curricular activities – e.g. before and after school sports programs, and a range of well-being and study support programs
- Provide year 7 locker hire - to register your interest in hiring a locker in 2024, go to www.chspandc.org.au. **There are a limited number of lockers available.**
- Provide an active student-centered voice in the NSW School Infrastructure Project Reference Group
- Administer the P&C Building Fund and deliver smaller building projects e.g., new shade structure at high school oval, contribute to new building fit-outs.

Examples of what we've done:

Facilitated a variety of wellbeing programs for students & families (>\$30k - partly funded by Chatswood RSL grant).

Funded a major shade structure at the highschool oval (>\$200K).

Assisted funding for student leadership camp, before and after school sport training and new gym equipment.

Coordinated gardening working bees to improve green spaces around the school.

Hosted social morning teas for parents to meet.

How you can support our school

There are many opportunities for you to support the activities of the CHS P&C. Research shows that where parents are actively involved in school activities, student engagement and performance improves. The high school years are a vital time to stay connected with your teens.

P&C Meetings

Come along and have your say

You can join various school committees, share your expertise or volunteer your time and energy. Some are during school hours, others outside working hours: decide what suits you & your family.

P&C Facebook page

Join our Facebook page at www.facebook.com/groups/chspandc/. This site is moderated by two volunteer parents, and is a great way to meet other parents and hear about things happening at the school and events sponsored by the P&C.

P&C Roles & Social Activities

You can volunteer for various roles in the P&C. Do you have skills in other areas and willing to lend an occasional hand? E.g. accountant, architect, builder, landscape gardener, caterer, event organiser, communication and design or other? Can you volunteer some time to help? For example, volunteer at the Uniform Shop, be a parent representative on teacher selection panels, or help in the P&C Executive. Again, see our website for more information:

<https://chspandc.org.au/volunteering/>

Financial Contribution to the P&C

A financial contribution to the P&C is included in the invoice issued for all students attending the school. This contribution is used to fund requests made to the P&C by the school and to support the highly-valued well-being program we provide to students and parents each year. Without your support, these initiatives are not possible. Please note, CHS Parents and Citizens Association is a registered charity. The P&C contribution has two components:

- P&C general contribution: \$100
- Building Fund: \$150 (suggested amount). All gifts to the Building Fund > \$10 are tax deductible.

*We need your support to create a vibrant and strong community.
Whether it's financial or volunteering, every small contribution helps.
We'd love you to come along and get involved!*

All canteens in NSW public schools must meet certain requirements. These include providing more healthy food and drink options – to make the healthy choice an easy choice for students. Our school canteen operates under an outsourced vendor in accordance with the Healthy School Canteen Policy. We are pleased to announce we have a new canteen operator, Catering Project through their canteen solutions brand "EATS".

Opening Hours

8.00am through to 2.30pm

Downloading the app

Parents simply download the Flexischools app from the Apple or Google stores and follow the prompts to create an account. Once set up, click "Order Food" to see the online catalogues available, place your order and pay. Orders can be placed at any time, up until our specified cut-off time (as shown in the App).

Online Ordering: Flexischools

Our new canteen operator is introducing an online ordering option to making it easier for parents and students to plan their meals. With this convenient system, you will be able to:

- **Pre-Order Meals:** Parents can pre-order meals for their children, ensuring that their preferred choices are available and ready when needed.
- **Online Payment:** Make payments online, reducing the need for cash and providing a secure and efficient payment method.
- **View Menu Options:** Access the canteen menu in advance to help plan your child's meals and make selections that align with their dietary preferences.
