

GRADE SPORT INFORMATION & PERMISSION NOTE 2021

Grade Sport will be conducted on Thursday afternoons from 12:00 - 2:30pm for students in Years 8-12. It gives all students the opportunity to participate in competitive sport against other schools across Ku-ring Gai Zone on a weekly basis. A variety of sports are available for students to participate in over 3 seasons: Summer, Winter and Spring.

Students are able to choose a different sport each season using our online selection system. Trials will be held at school for the first 2 weeks of each new season to select teams.

Permission note and payment must be returned to the School Office by 11/02/21

I hereby consent for my child (Name): _____ of Year: _____ to participate in Grade Sport on Thursday afternoons from 12:00pm to 2:30pm.

I understand and consent to the following:

1. If necessary, medical attention may be sought for my child. I understand that the school will make every effort to contact me in this event.
2. Different sports employ different modes of transport. Teams may have to walk to local facilities, catch a train at student's expense or catch a bus organised by the school for grade sport. Teams will leave the school together and be accompanied to the venue by the teacher in charge of the sport. I consent to my child travelling to and from the venue by mode of transport arranged by the school for his/her chosen sport.
3. I understand that my child must be in correct sport uniform during sport and may need extra equipment such as mouth guards or shin pads.
4. Some sports offered at Chatswood High School may involve physical contact that could potentially lead to injury. If you would like your child to be involved in a NON-contact sport, please contact the sports coordinator in the PDHPE Dept. on 9419-3611.
5. It is the responsibility of the student to ensure they have had their named marked off at the beginning and end of sport. Failure to do so will result in a formal letter being sent home, along with an after-school detention and a phone call to parents/ guardians from the sports organiser.
6. Grade sports requires a payment for the buses. Students will not be able to participate in grade sport until this fee is paid.

I have discussed with my child his/her obligations to behave responsibly, to follow teacher instructions, to represent the school in an appropriate manner and to observe the rules concerning Ku-ring Gai Zone Sport.
