

In 2022, Chatswood High School will continue the very popular and successful training program for Basketball, Soccer, AFL, Ultimate frisbee and Touch football. Each session is run by a dedicated teacher or coach at school on a weekly basis. Sessions are aimed at improving student's skill levels as well as building stronger connections between students.

These training sessions are free and students are encouraged to attend as many training sessions as they can fit into their busy schedules.

Throughout the year, these trainings will be used to select knockout and representative teams who will represent Chatswood High School at a variety of tournaments. Information will be specified in the daily notices and school newsletter.
