

Year 7 Sport Program 2022

This year, Year 7 students will be partaking in sports activities once a fortnight on Tuesday afternoons (periods 3, 4 and 5). These activities will require the students to catch a bus from school to different venues throughout the year. You can see these venues in detail below. They have been carefully selected by the Sports Organiser, Sean Abernethy, as venues which will engage your child and help in developing their fundamental movement skill and fitness, as well as providing enjoyment. Year 7 students will wear their sport uniform to school on their designated sport day.

Students will have sport on these weeks:

Week A	7A	7B	7C	7D	7E
Week B	7G	7H	7I	7J	7K

- Dance @ Arthur Murray Studio** – students will engage in a rotation of different genres of dance that will improve their movement composition and skills. Students will participate in Jazz, Hip Hop, Contemporary and Lyrical classes that will develop a range of new skills and a sense of personal achievement.
- Gymnastics @ SLX**– the SLX gymnastics club has established itself as a reputable centre for structured and recreational gymnastics. They have produced gymnasts that have competed all over the world! Students will be coached to develop their skills by expert gymnastics coaches.
- Martial Arts @ VT1 Academy**– this program has been developed by martial arts experts in collaboration with teachers. The aim is to improve students' self-esteem and resilience, teach them some simple martial arts and improve their fitness. It is also a great social activity. Students will be coached by world champion instructors whose focus is on youth development.
- Aqua Fitness @ Macquarie University** - students will participate in a range of swimming activities from training AusSwim staff at the Indoor Macquarie Aquatic Centre. Students will develop their swimming skills and fitness levels through a variety of enjoyable water activities.
- Mixed Sport @ Macquarie University** - students will participate in a range of sports using the indoor Macquarie Sports Gymnasium. Students will develop their movement skills and fitness levels through a variety of enjoyable games and activities.
